Sir:

1. Cited against this application is the related art of Figures 1-4 described as related art in the specification of the present application.
2. I, an inventor of this application and signing below, hereby declare that the subject matter described in Figures 1-4 of the present application was conceived or invented by me as the foundation of the present invention and does not constitute "known or used by others in this country, or patented or described in a printed publication in this or a foreign country, before the invention thereof by the applicant for patent" under 35 U.S.C. §102(a).
3. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
